

Junior League Starts with 2007 Friendly at Durham City.

Wear Valley ASC's junior swimmers competed in a friendly swimming gala at Durham City baths. This was a warm up competition for the Junior League galas which will be held in March. For some of the swimmers this was their first taste of swimming competitively.

Wear Valley's 11year old squad collected the most points in their age group and took a trophy home with them. The 10year old and 12year old teams were 2nd in their age groups. Wear Valley finished second overall to a very strong Durham City squad.
